Yusseff, the Turk, Wants to Wrestle Gotch, and His Manager Has Money to Back Up the Challenge.

LARGE, square-jawed Turk wandered into The Evening World office last night, accompanied by two hefty gentlemen who act in the positions of manager and backer. The Turk was Yusseft Mahmout, late of Pasha Bali, Bulgaria. His manager was Antonio Pierri, the old-time wrestler. The man of money presented a card which read:

GEORGE HARRINGTON.

Manager for Gunner Moir,

Champion of England. This is Yusseff," said the manager.

"Umph," said Yusseff, bobbing his

"He wishes to wrestle Gotch." "He wishes to wrestle Gotch."
"Umph," assented Yusseff, with a face
as wooden as an Indian's.
"We will give Gotch his own style,
catch-as-catch-can, and a 5500 side stake.
I have been in this country before. We
do not bluff about \$5,000 side stakes.
Five hundred—that is enough."
Here Pierri pulled a wad from his
trousers pocket, and tossed it on the
ston. All will have rain checks at-

"Considerable expense," assented Mr. Harrington, nodding his head.
"Much expense," went on Pierri, "and we spend the money to get a match with Gotch—nobody else. The side stake—that is nothing. Purse is nothing. What we came for is the title. Yusseff weighs 210 pounds. He is strong. He has beaten all the good men in Europe.

recent Olympic games in London. My reason for writing you is to draw attention to the glorious bungling mismanagement of Saturday's A. A. championship games at Travers Island. Try to consider dispassionately, if you can, how the wonderful organizers concerned would have made out at Shepherd's Bush! Ha, ha, it is, indeed, to laugh.

Yours truly,

GRAVESEND ENTRIES.

(Special to The Evening World.)

GRAVESEND RACE TRACK. Sept. 22.—Following are the entries for tomorrow:

Joe Birmingham is certainly playing a nderful game at centre-field for Cleveland, is setting the crowds crazy every day by wonderful catches. Goode, the youngster picked by Cleveland from the Akron O. and P. league team, does not belle his name. He is fielding well and hitting the ball hard for the Naps.

The Boston Red Sox broke the heart of the Detroit Tigers by making three runs off Ed. Killian and winning the game incident-ally, sending the Tigers into second pace. Charlie Wagner, the New York lad, turned the trick with a home run drive.

The Eel won the Hotel Hartman \$5,000 stake at the Columbus, O., Grand Circuit meeting, beating out the great Canadian pacer in straight heats.

Cornell had only nineteen men out for practice on the first day of their footbal work.
Only four of last year's team are back this fall.

Vie Willia like good old ale. Improves with age. While he had nothing on Matty in the way of assortment of curves, he was more fortunate in scattering the two bingles made off his delivery. He certainly did make the Glants pop 'em up.

Allen Corey son of the Steel Trust President, who is trying for quarterback, is the first left-handed man ever to attempt that position. His off-side passing is said to bother his epponents creatly.

Papke Starts for Home.

American League Race Is Closer Than the National.

It is a merry race in the American League right now, and just twenty points separate the Cleveland club. that displaced Detroit in the lead yesterday, from the St. Louis Browns, in fourth place. The figures are: Cleveland, .574; Detroit, .572; Chicago, .b67, and St. Louis,

It is really a harder proposition to pick the winner in this race than it is in the National, as any one of the four clubs have a chance to grab off the bunting, while in the National fight it is now between the Giants and Cubs.

BENSON MINES, N. Y., Sept. 2 -Bob Fitzsimmons, former champion of the world, went into the ring against a fighting French-Canadian lumberjack named Jim Paul here last night, and gave him a good beating in the three fast rounds they fought. Paul, who is the terror of all the lumber camps of the North Woods, was considered invincible by his friends even to a man

of Bob's calibre. Starting in viciously with the roughand-tumble tactics which have made him famous all over the north country, Paul was first sent to the floor with a right to the jaw. Recovering from this, the woodsman angered the old man with a cut across the face, and Fits sent him to his corner dazed, the gong just saving him from a knockout, which Fitz was working pu.

Whip Top, twhich W. R. Midgely recently claimed out of a seiling race, won the first time out for her new owner when she beat out a good field in the flifth race, coming again bid up yesterday, but her owner retained her.

PAUL RAINEY'S \$45,000 colt, Demund, is surely the star in-andouter of the turf world. Biessed with a turn of speed that can beat almost anything, the colt never seems to know how to use it, and has often been disgracefully beaten in company that should be easy for him. Yesterday, at Gravesend, in a field that included Peter Quince and Fort Johnson, Demund went out is front at the start, and was anything to front at the start, and was anything to front at the start, and was anything to good field in the flifth race, coming after the fifth race, coming after before the West End Athlethy Club. Bonner was no match for the New York giant, with the exception of gameness. At this the Summit Hill main excelled. He was three times saved by the timely interference of the bell, and excelled.
